THE PROCESS

How it works

01

CV Audit & Profiling

A deep audit of your current CV against your target domain, with a clear action plan to close every gap.

02

Live Consulting Projects

Work on real client problems with mentor guidance — turning your CV into verifiable, interview-ready proof of skill.

03

Case Competition Mastery

Learn the exact frameworks AIR 1 winners use, and start building a competition track record that stands out.

04

Placement Bootcamp

Intensive mock PI and GD rounds, sharpened story-telling, and final placement-ready polish.
